## **CDC Guidelines Regarding the Coronavirus**

Please help us in our efforts to minimize the spread of sickness in our school. Steps to take are the same ones taken to prevent other illnesses like the flu. Practice these steps at home with your kids and remind them the importance of taking these simple measures to stay healthy:

- Washing your hands frequently with soap and water for at least 20 seconds.
- Avoiding touching your eyes, nose or mouth.
- Staying at home away from others if you are sick.
- Avoiding close contact with people who are sick.
- Cleaning and disinfecting objects and surfaces, especially "high-tough" ones like doorknobs, counters, light switches, remotes and cell phones.
- Covering your mouth and nose with a tissue when coughing or sneezing, then throwing the tissue in the trash and washing your hands.
